

TPaIDA™

Tropical Pathology and Infectious Disease Association

“Humanitarian Service with a Human Experience”

Our Mission

The *Tropical Pathology and Infectious Disease Association (IPTEI)* is a private, educational organization designed to educate students in the basic science, diagnosis, and treatment of infectious tropical diseases while providing medical assistance to other countries.

TPaIDATM Application for Medical internship/Study Abroad 2019/20/21

To apply for the medical internship and study abroad through the *Tropical Pathology and Infectious Disease Association (IPTEI)*, please fill out the application/questionnaire attached. If applying for travel, please include a mandatory \$75.00 processing fee with your application. It is due upon submission.

Tuition is \$2,975, which includes all, course materials, breakfasts, lunch, hotel accommodations in Cuzco, and a 2 day and 1-night jungle/river medical/clinic. The tuition fee does not include flight; each student is responsible for the cost of his or her flight. Additional trips (including Machu Picchu) may be arranged for an additional fee.

Tpaيدا Advance program is \$2975

Master Virology Course Hamburg, Germany is \$2900

Please note that 20% of the tuition is due upon the receipt of your acceptance. Half of the remaining balance of the tuition is due 30 days after admission into program and the remaining tuition balance is due 60 days from the class start date. All fees are nonrefundable. For more information please contact (IPTEI), at the address and phone number provided below. TPaIDA Is the INSTITUTO DE PATOLOGIA TROPICAL Y ENFERMEDADES INFECCIOSAS (IPTEI) E.I.R.L a Peruvian Company. Refunds are govern by Peruvian law. RUC 20490552341. Tuition fees are subject to change. There will be no refund after 30 days in to the program.

TPaIDA

Please Read the following before continuing:

IPTEI is a private, educational organization designed to educate students in the basic science, diagnosis, and treatment of infectious tropical diseases, as well as, providing medical assistance to other countries.

Submitting an application for travel does not guarantee a seat in a class traveling to Peru. IPTEI screens all applicants for acceptance. Applicants must be at least 18 years old, be in good health, and able to travel internationally. Preference will be given to students who have completed one year of study in biology or the health sciences. After all applications have been screened, you will be notified of acceptance to IPTEI.

You must provide proof of vaccination to IPTEI. Once you have been accepted for study, you will be sent a list of required vaccinations.

Important Health Information: What medical problem do you have?

You cannot travel with IPTEI if you are:

- Immunocompromised
- Pregnant or plan on becoming pregnant prior to travel
